

Dear Friends and Family,

Things are beginning to wind down for the summer as we finish up training for May and June. It begins a different season for our ministry as groups take a break and the focus becomes mission trips, one on one discipleship, schooling and planning for our summer retreat.

My Thursday evening class will be coming to a close at the end of June. Pray for Stacey, Gillian, Jessie, Alan & Karen as they prepare to quote the 65 verses they have learned over the two years. Pray also for next steps for them as they continue to grow in Christ and serve the Lord. Stacey will be leading a College & Career aged discipleship class beginning in September. I praise God for this as this is our ministries vision to make disciples (followers of Christ) who will continue the work.

Jenn with her Spanish class

In my Sunday morning & Wednesday group's there has been exciting growth, as well as Simon is beginning to lead a "Discovery" class at our church and Manuel is getting set to be baptized.

On Monday nights we have begun to discuss sharing our faith. The class has a real heart to share with those around them. Talking about opportunities a few weeks ago I got to share my faith with the custodian at the church we have our class. Two weeks ago one of my students called me because we had prayed the night before for him to have an opportunity to share his testimony at work. Well the next day he got to share with his boss who asked him if he was a man of God. The opportunities are all around us if we pray and are faithful.

I have been given permission to begin another Men's Discipleship class at my home church on Tuesday nights. If you know any men who could benefit from this training then put them in touch with me. This group came about because there are three men I will be meeting with over the summer who want to begin a class in September. Pray that God will bring others as well.

Jenn's class is continuing to grow together and everytime she comes home she talks about being so blessed by the group.

Thursday evening graduating class

The provincial director responsibilities are going well. George our director has been away for May speaking across Canada as he focuses on new works in places in Manitoba and Ontario.

Please pray as I take a group to Union Gospel Mission on June 20<sup>th</sup> to lead the service and help in the kitchen. This is always a great chance for students to step out of their comfort zones.

**Praise & Prayer requests:**

- New men's class in September.
- For students as they graduate. to continue to grow in Christ.
- Jenn's health during the pregnancy.
- Stacey got a new job and pray for him as he leads a group in September.
- Mexico Mission Trip in July and for Valdemar & Ishmael as they give leadership to DI Mexico.

Upcoming events are: ½ Day of Prayer, June 14; DI Picnic, June 28<sup>th</sup>, Mexico Mission trip, July 7-24 and Leader's Retreat Aug.29 – Sept.1.

Blessings in Christ,
